YOUR PARTNER IN ROAD CONSTRUCTION EXCELLENCE

INTRODUCTION

CORPORATE OVERVIEW

Sai CT Road Works, established on 3rd June 2022, under the stewardship of Chaliswaran A/L Velu, is a leading force in Malaysia's road construction industry. Specializing in a wide range of services, including milling, paving, resurfacing, patching, crush-run works, drainage construction, pothole repairs, sinking fund projects, open cuts, concrete work, interlocking, clearing, machinery rental, excavation, lorry transportation, and milling waste supply, the company is dedicated to transforming infrastructure landscapes with precision and innovation.

Sai CT Road Works is not merely focused on building roads but is committed to constructing pathways that drive national progress and connectivity.

Every project undertaken reflects a steadfast commitment to quality, reliability, and sustainable practices, ensuring that the infrastructure supports economic growth and enhances the daily lives of communities. By creating durable and efficient transportation networks, the company strengthens Malaysia's connectivity, reducing travel times and fostering better access to essential services such as education, healthcare, and commerce.

The impact of Sai CT Road Works extends beyond physical construction. Its projects contribute significantly to economic development by supporting local industries, generating employment, and laying the groundwork for long-term growth. Sustainability is a cornerstone of the company's operations, evident in its environmentally conscious practices, such as repurposing milling waste and employing advanced techniques to minimize environmental impact.

“

Sai CT Road Works exemplifies a commitment to excellence in every aspect of its operations. Through innovation, community focus, and a vision for a well-connected future, the company has become an essential partner in Malaysia's journey toward a prosperous & sustainable tomorrow.
